## **Things to note**

All rules (such as helmet, dress code & etc.) apply as per Supplementary Regulations during practice sessions.

Drivers will be allowed to walk the track prior to every new course pattern. Drivers are NOT allowed to familiarize the track with bicycles, rollerblade, skateboards or power assisted wheels. No playing of music inside the car and passenger is not allowed during practice runs (except for participating drivers or MSS appointed instructors providing guidance).

**Speed limit outside the circuit is 10km/hr, anyone caught speeding, testing of handbrake, drifting or conducting tire burnout will be excluded from the event.** Participants are to follow instructions from the marshals at all times.

## **Scrutineering**

Drivers are required to open their car's bonnet for scrutineers to conduct a mechanical inspection, and all loose items such as handphone holders, air freshener, water bottles, window blinds/curtains, clip over rear view mirrors and driver side floormat must be removed from the car's cabin prior to scrutineering.

The eligibility of all cars taking part in the competition will be checked by the duly appointed MSS Scrutineers who shall not be required to give any reason for a decision they may take, but may at their absolute discretion require a driver to comply with their request. Drivers electing not to comply will be referred to the stewards and may be excluded from the event.

## **Attire**

Helmets are compulsory. Helmets that have visible damage are not allowed. Bicycles and skateboard helmets are not allowed. Long pants/jeans & covered shoes required. Bermuda, 3 quarter pants and sleeveless tops are not allowed. Competitors that fail to comply the dress code will not be allowed to start.

## **Crew Conduct**

To ensure safety and sportsmanship of the participants, any drivers or their pit crew found to be smoking or behaving rowdily in the paddock, causing a nuisance to the other participants, will be excluded from the competition.

## **Post event**

All participants are kindly requested to clear all thrash left behind at the paddock area after the event.

MSS reserves the right to have members' competition license revoked or suspended if anyone is caught speeding, drifting or conducting tire burnout after the event. Members are requested to advise their friends to refrain from the above acts in order to preserve the venue for future events.

### **Pit Passes and Service Vehicle**

Each participant will be provided a competitor pass and 2 pit crew passes regardless of how many practise sessions or competition class entries he or she signs up. Each participant is allowed to purchase up to an additional of 4 pit crew passes at the cost of S\$30 each. All competitors and pit crew are required to wear their passes at all times at the paddock. Anyone found without the passes will be removed from the paddock. Pit crew passes and Service vehicle passes are valid daily, please purchase passes for both days if you required them for 2 days.

Due to the limited parking lots available at the paddock, only commercial vehicles (G or Y plate) service vehicles are allowed. Service Vehicle pass is available at S\$50 each. Participants are allowed to unload their tools and equipment if they are transporting them in private plate vehicles. They are to remove their vehicles immediately after unloading or loading.
